The Palace,
Bangalore,
2nd September 37.

Your Highness,

I received and submitted to His Highness your letter of the 4th August. His Highness has been pleased to say that on your Highness's return to Mysore Your Highness may kindly correspond with Rewa and other States. As regards Rewa alliance His Highness has no objection to the preliminary negotiations being carried on by Your Highness. I daresay Her Highness the Yuvarani has already written to Your Highness on the subject. If the marriages are to take place nex year, it seems necessary to begin the negotiations wit Rewa immediately and to do that Your Highness may hav to return to India as early as possible.

I have heard from Mr. Basavaraj Urs that Rajkumar and himself will go to America this month and that th will come back to London and return home at the end the year.

I am enclosing for Your Highness's gracious pe sal Mr. Ramiah's memo.

Hoping Your Highness is in the best of health with respects,

Your humble servant,
(sd) T.Thumboo Chetty.
